Tristan, known as DJ Trizzy, is a Toronto-based DJ with a deep love for music and an even deeper Caribbean background — a foundation that's made him well-rounded across sounds from all over the islands. He specializes in mainstream, house, and club bangers, and his dedication to the craft has built him a loyal, growing following.

Trizzy has toured extensively across Ontario — from Toronto to Ottawa — and crossed into the U.S. to play Dallas, Texas, all in support of Canadian recording artist Melo Griffith. On the Caribbean side, he's shared the decks with some of the biggest names in bouyon music, including The Fresh Prince of Bouyon Reo, Mr. Gwada, Trilla-G, and Shelly of Signal Band, as well as PNDRN out of the Virgin Islands.

Over the past year, Trizzy has also brought his sound into the luxury space, playing Burberry's flagship stores across the Greater Toronto Area — proof of his range from carnival-ready sets to curated, upscale in-store experiences.
